A WIN-WIN Opportunity

Founder Ronald F. Caya and Executive Dean Katy Cardenas, of the New School for the Arts & Academics High School & Middle School (NSAA) are seeking your support. As we begin the new school year, we are asking families for their assistance in supplementing program expenses. Founder, Ron Caya suggests an annual donation of \$500 per family, which may be pledged in increments over time throughout the school year, or paid by other family members.

The tax credit is available to all individual taxpayers in the state of Arizona, regardless of whether they have children enrolled in public schools. Alternatively, contributions from businesses are always appreciated and tax deductible under Federal and State law. This tax credit however, may be claimed on personal income tax. Simply write a check for either \$200 (single taxpayer) or \$400 (married taxpayer) to the NSAA High School or Middle School. For your tax records and your accountant, you will receive a confirmation in January verifying your contribution.

With our expanding student population, funding extra-curricular activities has never been more critical! If you're considering a donation, please mail or bring in your check today or call Katy Cardenas for more details. Remember, this is a *tax credit*, which you subtract dollar for dollar from your Arizona state taxes. In addition, since NSAA Schools are non-profit education facilities, you may also claim the money as a *charitable donation* on your 2007 Federal Income tax. This donation can also come from family members.
